

You are cordially invited to join the **Never Leave One Behind** First Annual Charity Golf Tournament on June 22, 2018, at 1:00 PM at the Rancho Bernardo Inn Golf Course located at 17550 Bernardo Oaks Drive San Diego, California 92128.

Please allow me to introduce myself. My name is Larry Price and I am a Vietnam Veteran as well as the President and founder of *Never Leave One Behind* (NLOB). NLOB is a 501(c)3 nonprofit organization founded to fully support the rehabilitation cycle of military veterans. We are committed to the successful reintegration of military veterans into the community by providing them with knowledge and access to available benefits, services, and resources.

We are also committed to promoting emotional and physical health to veterans and their immediate family members. NLOB supports veterans through the creation of meaningful career opportunities for our disabled, wounded, and other service men and women and for their immediate family members, who make equal sacrifice but struggle alone.

Our mission is accomplished by partnering with community support groups, volunteers, corporations, private companies, and various nonprofit organizations. These partnerships aid us in providing our veterans with education, individual counseling, career counseling, training for employment/re-employment, veteran benefit advocacy, daycare services, food assistance and medical and job-related transportation services.

We have seen many lives changed over the years keeping us acutely aware of how important our efforts really are. There are times when our organization offers the only hope left for people living in a state of desperation.

We believe that you will quite enjoy this event and thank you in advance for your consideration in supporting this worthy cause by accepting our invitation. Your support will help turn this fundraiser into a great success, while raising awareness of the crucial needs of our veterans. Feel free to contact me directly at 619-255-4134 if you have any questions or concerns.

Sincerely,
